DEUTSCHLAND

Guest Information

Dear guests,

A very warm welcome to TANZPLATTFORM DEUTSCHLAND 2020 in Munich!

It's our aim to make TANZPLATTFORM DEUTSCHLAND 2020 as sustainable as possible. We would like to invite you to join us in saving resources to reduce the impact of our event on the environment.

Our venues are all accessible by Munich public transport (MVV). Your registration includes a free ticket for the city centre of Munich. You will receive this ticket together with your badge at the accreditation desk upon arrival. Do you need a taxi? Choose an environmentally friendly alternative: Order an e-taxi or use the [CleverShuttle](#) app.

Only using paper when really necessary: You have received all tickets for the performances of TANZPLATTFORM DEUTSCHLAND 2020 digitally from us. You do not need to print out the tickets! Just show the tickets on your mobile device at the entrance. We will send you further program information also digitally. You do not need to print them out in advance either, you will receive all the information at the accreditation desk.

Pack a drinking bottle: Munich tap water is one of the cleanest in Europe! Besides tap water you will find refill stations for on the go at [Refill Munich](#). In many shops in Munich you can use deposit cups from RECUP to avoid garbage. With the [RECUP App](#) you can find all participating stations in your area.

We have compiled further helpful information for your stay in Munich hereafter. We are looking forward to spending five days with you exploring the diversity that contemporary dance in Germany currently has to offer! You will be able to see unique and strong artistic positions.
